PREAMBLE

This Contract, made this 30th day of May, 2012, by and between the City of Paterson, New Jersey, hereinafter referred to as the CITY and the Paterson Police Benevolent Association, Local No. 1 hereinafter referred to as the Association, is designed to maintain and promote a harmonious relationship between the City of Paterson and such of its employees who are covered within the provisions of this Contract, in order that more efficient and progressive public service may be rendered.

1. RECOGNITION

1.1 The City hereby recognizes the Association as the exclusive and sole representative for collective bargaining negotiations concerning salaries, hours, and other terms and conditions of employment, for all sworn police officers of the Paterson Police Department, excluding all superior officers.

Unless otherwise indicated, the terms "employee" or "employees" when used in this Contract, refers to all persons represented by the Association.

2. ASSOCIATION SECURITY AND PRIVILEGE

2.1 All employees covered by this contract who are members of the Association at the time this Contract is ratified or who

hereafter become members during the term of this Contract must retain their membership in the Association for the duration of the Contract, by offering to pay monthly dues, assessments, and initiation fees required by the Association. Subject to the provisions of N.J.S.A. 52:14-15.9e, the City agrees to deduct twenty-six (26) times per year from the salary of each employee the sum certified as such, and deliver same to the Association Financial Secretary and/or any other duly authorized Association Officer, by the Tuesday following the week the deduction was made. The Association agrees that it will indemnify and save harmless the City of Paterson against any and all actions, demands, losses, claims or expenses in any manner resulting from action taken by the City of Paterson at the request of the Association under this section.

2.2 The City shall not discriminate in favor of, or assist any other labor or police organizations which in any way affects the Association's rights as certified representative for the period during which the Association remains the certified representative of the employees.

2.3 The City will cooperate with the Association's officers with respect to all reasonable requests concerning the Association's responsibilities as the certified representative.

2.4 Neither the Association nor the City shall exert any pressure on, or discriminate against an employee because of

his membership or non-membership in the Association.

2.5 During the actual negotiating sessions between representatives of the Association and the City for Renewal, change, or a new collective bargaining agreement, the negotiators for the Association shall be assigned to the day tour during negotiation days, and they shall be excused from their duties in the Division provided such periods of negotiating are reasonable and necessary and provided the number of negotiators shall not exceed five (5) in number. The Association President shall notify the appropriate shift commanders at least forty-eight (48) hours in advance of the scheduled negotiations.

2.6 The Association President shall be assigned to the day tour of duty in a non-uniform division appropriate to his fulfilling the obligations of his office including but not restricted to the attending of Association meetings, the processing of grievances, and the administration of this Contract with the City and its employees. He shall not suffer any loss of wages or benefits while fulfilling the requirements of this section. The Association President shall be placed into detective status with regard to his terms and conditions of employment, but shall suffer no loss of wages or benefits as a consequence thereof.

2.7 Elected Officers of the Association shall be excused from duty at the time meetings and officers workshops held prior to the meeting are to be held, so that

they are able to attend meetings of the general membership, and they shall not be required to perform any additional services to make up for the time spent in attendance at such meetings. The shift commander may not unreasonably refuse to excuse an individual if remaining manpower is adequate to meet the service needs of the organizational unit of which that individual is assigned.

2.8 The PBA State Delegate or the alternate delegate shall be excused from duty with pay to conduct official business necessary in accordance with the duties of the office of delegate, provided that such release time does not interfere with the emergency requirements of the Police Department.

2.9 A maximum of nine (9) appointed Association delegates shall be excused from duty without loss of pay or benefits, to attend an annual Association convention. The Association President shall notify the Chief of Police thirty (30) days prior to the start of the Convention with a list of the names of the Association members who will attend said Convention.

2.10 The City shall provide an office in the headquarters building for the sole use of this Association's officers to administer this Contract and to execute duties of their office. The Association shall bear the full cost of furnishing said office; however, the City will provide a Division

phone in the office to be used by the Association officers for official business only.

2.11 The Association President, and an officer if needed, shall have the right to visit the Director, Chief of Police, Headquarters, Precincts, Motor Pool, and other police occupied facilities, at all reasonable hours for Association business. The Association President, or his designees, shall have the right to visit other officials of the city government for Association business in accordance with existing rules and regulations.

2.12 The Association shall be furnished with copies of all Directives, General Orders, Special Orders, Personnel Orders, Rules and Regulations and Procedures, and other communications affecting wages, hours and other terms and conditions of employment for employees covered by this contract, and said copies shall be furnished to the Association within twenty-four (24) hours of their promulgation.

2.13 The City shall furnish at no cost to the Association, once a year, an updated listing or roster which shall contain the names, current addresses and telephone numbers of police officers who are members of the Association, as such information is reflected in the files of the city to be used solely for Association business.

3. EMPLOYER RIGHTS

3.1 Purpose - The city hereby retains and reserves unto itself without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it prior to the signing of this agreement by the laws and Constitution of the State of New Jersey and of the United States, including but not limited to the right to manage the affairs of the city and to direct the working forces and operations of the City, to use improved methods and equipment, to determine work schedules and shifts, to decide the number of employees needed for any particular time, and to be in sole charge of the quality and quantity of the work required.

3.2 City's Exercise of Rights - In the exercise of the foregoing power, rights, authorities, duties and responsibilities the City has the right, subject to the terms contained herein, to hire employees, to promote, transfer and assign them, suspend, demote, discharge or take other appropriate action for just cause, and to lay off employees because of lack of work and for other legitimate reasons.

3.3 Management Prerogatives - The City reserves the right to make such other reasonable rules and regulations, orders and policies as may from time to time be necessary and proper for the purposes of maintaining order, safety or the effective operations of the Department after reasonable notice thereof to the employees affected.

3.4 Limitations of Employer's Rights
- The exercise of the foregoing power, rights, authority, duties and responsibilities by the City shall be limited by the terms of this Agreement and only to the extent such terms are in conformance with the Constitution and laws of the State of New Jersey and of the United States.

3.5 Extent of City's Rights and Authority - Nothing contained herein shall be construed to deny or restrict the City of its rights, responsibilities and authority under R.S. 40A: 1-1 et. seq. or any other national, state, county or local laws or regulations.

4. NON-DISCRIMINATION

4.1 Neither the City nor the Association shall discriminate against any employee on conditions of employment because of race, color, creed, sex or national origin.

5. POLICE OFFICER'S RIGHTS

5.1 Subject to Chapter 303, Public Laws of 1968 and amendments thereto, the City hereby agrees that every employee shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining negotiations and other concerted activities for mutual aid and protection. The City agrees that it shall not directly or indirectly discourage or deprive or coerce

any employee in the enjoyments of any rights conferred by Chapter 303, Public Laws of 1968 or other laws of the State of New Jersey, its Constitution, and the Constitution of the United States; that it shall not discriminate against any employee with respect to hours, wages, or any other terms or conditions of employment by reason of his membership in the Association, collective negotiations with the city, or his institution of any grievance, complaint or proceeding under this Contract or otherwise with respect to any terms or conditions of employment.

5.2 An employee shall have the right to inspect his personnel file on reasonable notice and at reasonable times.

5.3 Guidelines for Interrogation of Members of the Department.

5.3.1 The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Out of these contacts come questions concerning the actions and activities of the employees. These questions often require immediate investigation by superior officers and/or members of the Internal Affairs Division. In an effort to ensure that these investigations are conducted in a manner which is conducive to good order and discipline, the following guidelines are promulgated:

5.3.2 The interview or questioning of an employee shall be at a reasonable hour,

preferably when the employee is on duty, unless the exigencies of the investigation dictate otherwise. Where practicable, interview and/or questioning shall be scheduled during the employee's tour of duty. If overtime, as defined in the contract, is incurred by reason of such questioning, the employee shall receive overtime compensation.

5.3.3 The interview or questioning shall take place at a location designated by the investigating officer. Usually it will be at the Command to which the investigating officer is assigned, or at the Command within which the employee is assigned.

5.3.4 The employee shall be informed of the rank, name and Command of the officer in charge of the investigation, as well as the rank, name and Command of the officer conducting the questioning, and of all persons present during the interview and/or questioning; the employee shall also be notified if the questioning and interview is being recorded.

5.3.5 If an employee is directed to leave his post and report for an interview and/or questioning to a Command other than his own, his Commanding Officer shall be promptly notified of his whereabouts by the Officer in charge of the investigation.

5.3.6 The employee shall be informed of the nature of the investigation before any questioning commences, including the name of the complainant and all witnesses. The names and the addresses of the complainants and/or

witnesses need not be disclosed if sufficient information to reasonably apprise the employee of the allegations is otherwise provided. If it is known at the initial contact, an employee being questioned shall be informed whether he is the target of a criminal investigation or a witness.

5.3.7 The questioning shall not be overly long and reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls and rest periods as are reasonably necessary. The employee shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishments. No promises of reward shall be made as an inducement to answering questions.

5.3.8 If an employee is under arrest or likely to be, or if he is a suspect or the target of a criminal investigation, he shall be afforded and advised of all his rights pursuant to the United States Constitution.

5.3.9 Any records in the files of the Internal Affairs Unit which have been ordered expunged by a court of competent jurisdiction shall be promptly disposed of in accordance with the law.

5.3.9.1 Records of Internal Affairs investigations shall be maintained in accordance with the records retention and disposition schedule for local police departments issued by the New Jersey Division of Archives and Records Management and in accordance with the Internal Affairs Policies

and Procedures established by the New Jersey Attorney General's Office. In no event shall records or notes, including any complaint, concerning any Internal Affairs investigation, be placed in an employee's personnel file.

5.3.10 The City shall maintain separate personnel files for each employee. Any personnel file maintained by the City shall be kept strictly confidential.

5.3.11 Suspension, reinstatement and recovery of withheld pay shall be in accordance with N.J.S.A., Title 40A:14-149.1, 149.2, 149.3 and New Jersey Department of Personnel Rules and Regulations including any amendments hereinafter made to these Titles. Authority under this provision will be exercised in accordance with the citywide Personnel Policy with regard to employees charged with criminal misconduct by (a) the City or its official representative or (b) authorities other than the City Personnel Policy dated January 25, 1977 as amended.

5.4 An employee shall not be required to report the employment of his spouse or children, and he shall not be required to submit a financial report of any kind, unless required by court or city ordinance adopted pursuant to further negotiations, prior to the adoption of said ordinance.

5.5 An employee shall not be required to pick up the bodies of those deceased persons whose bodies are so decomposed as to be offensive. Neither shall an employee be required to perform those

duties which are normally performed by other Divisions of the Department or other City Departments or Agencies. This section shall not apply in the case of a bona fide emergency.

5.6 Except pursuant to court order, photograph(s) of an employee shall not be displayed or made available to any member or segment of the news media without the prior approval of the employee.

5.7 [Intentionally Left Blank To Preserve the Sequence in Numbering of This Section.]

5.8 The address of an employee's residence, and the number of his telephone shall not be made known to anyone without the said employee's written permission, unless it is for the purpose of official police business and at the order of the Chief of Police.

5.10 Employees may join political clubs, make political contributions or run for political office to the extent permitted by law.

5.11 An employee may, if he so chooses, reside outside the jurisdiction of the City and he shall not be discriminated against in any way, including but not limited to, wages, promotion, assignments, or any other conditions affecting his continued employment, unless otherwise changed by state statute.

5.11.1 No employee shall be ordered to submit to a polygraph or other form of lie

detector test unless an employee voluntarily requests to take such an examination. However, employees who are the subjects of Internal Affairs investigations, may be compelled to submit to various forms of physical tests (e.g., breath sample, blood sample, requiring employee to speak, voice recordings, participation in a lineup, handwriting samples, hair and saliva samples, urine specimens, video taping, and field sobriety tests) all in accordance with the Internal Affairs Policy and Procedures issued by the Attorney General of the State of New Jersey (Revised 2000 and as may be amended from time to time) and adopted by the Department.

5.12 Drug Testing

5.12.1 Except as they are modified below, the City shall conform to and apply the State of New Jersey Attorney General's "Law Enforcement Drug Screening Guidelines" as revised in August of 1990 ("the guidelines") in engaging in drug screening and testing of Police rank and file and superior officers. The Guidelines shall be incorporated into the PBA Agreement and by reference made part of the PBA agreement, notwithstanding anything to the contrary by this Memorandum of Understanding, in the event that the New Jersey Attorney General shall issue revised or further guidelines or other instructions as to law enforcement drug screening, should the City seek to implement such revisions or further guidelines during the term of the 1995-1998 collective negotiations agreement and any period of continuation thereof, the parties shall immediately submit to the New Jersey Public

Employment Relations Commission (PERC) the issue of whether the revisions or further guidelines the City seeks to implement are negotiable. Pending the decision of PERC, the parties shall maintain the status quo under the prior guidelines.

5.12.2 Whenever a police officer is ordered to submit to a drug test, an officer of the PBA shall be notified and given an opportunity to be present during the taking of all samples from the officer. The test shall be delayed by no more than ninety (90) minutes after notice for this purpose.

5.12.3 Whenever a police officer is ordered to submit to a drug test, two urine samples shall be taken and the second sample stored in a secure refrigerator designated for this purpose at the public safety complex.

5.12.4 In the event the appropriate laboratory determines that the result of the analysis on either sample is confirmed to be positive for the presence of illegal drugs, the PBA shall be notified and provided a copy of the analysis results.

5.12.5 In the event that the analysis on the initial sample is confirmed to be positive for the presence of illegal drugs, the second sample which was stored in the secure refrigerator at the Public Safety Complex will be removed there from in the presence of an officer of the PBA. Such presence shall continue while the sample is placed in a mailer or envelope and while it

is placed in a U.S. Mail depository in the event delivery to the laboratory is by mail. In the event any other form of delivery to the laboratory is used, the PBA officer as appropriate, shall accompany the person making the delivery to the laboratory. The Laboratory used to perform the second sample analysis will be Lab. Corp. (formerly Hoffman-LaRoche Laboratories) or an equivalent lab agreed to by the parties. In the event the analysis on the sample is negative, the second sample shall be destroyed.

5.12.6 The analysis results of any tests shall be provided to the PBA as appropriate, the affected police officer and his or her attorney.

5.12.7 In the event any of the aforesaid procedures and safeguards are not complied with in regard to the drug test of any police officer, all drug test results concerning that police officer will be deemed null and void.

5.13 No search of an employee's person, property, or personal papers or effects may be conducted without his consent, except as provided for by law.

5.14 Conversations or questioning of an employee may be recorded only in accordance with the law.

5.15 SUSPENSIONS - Effective November 1, 1998 pending the final determination of charges, by the director of

Public Safety, an employee may be suspended without pay for a period not exceeding 30 days. At the conclusion of that thirty (30) day period, the charged employee will be returned to modified duty at full pay or shall be placed on paid administrative leave. Modified Duty shall be determined by the Chief of Police, with no reassignment rights by the employee.

6.0 GRIEVANCE AND ARBITRATION PROCEDURES

**6.1 Grievance Purpose and
 Definitions**

6.1.1 In order to establish a more harmonious and cooperative relationship between the city and the employees, and to avoid and resolve disputes involving alleged violations of the terms of this Contract, it is the purpose of this provision of the Contract to provide for the settlement of differences through an orderly grievance procedure.

6.1.2 A grievance is a claimed violation, misinterpretation or inequitable application of the provisions of this Contract, the Rules, Regulations or Procedures of the Department affecting terms and conditions of employment.

6.1.3 Commanding Officer shall mean the immediate Commanding Officer of the aggrieved employee.

6.1.4 Reviewing Officer shall mean the superior officer in charge of the next higher Command or level of a Commanding Officer.

6.1.5 The term "grievant" shall mean an employee, group of employees or the Association or City.

6.1.6 "Working day" shall mean a tour of duty consisting of eight (8) hours or part thereof, of either a grievant, Supervisor, Commanding Officer, Reviewing Officer, Chief of Police, Police Director or other affected City or Department head as the context requires. Day-off or leave-day shall not be considered a working day.

6.2 Procedure

6.2.1 It is important that grievances be processed as rapidly as possible. The number of "working days" shall be considered as maximum and every effort shall be made to expedite the grievance process. However, when mutually agreed, the time limits given below may be extended.

6.2.2 Time Limits - If the employer does not answer a grievance or an appeal thereof to the employee or Association within the specified time limits, the aggrieved employee may proceed to the next step of the grievance procedure. Failure to submit the grievance to the next step within the specified time limits shall terminate the grievance.

6.2.3 Closed Meetings and Hearings -

All meetings and hearings referred to in this Section shall not be conducted in public, and shall be limited to the grievants, representatives, and other participants of these procedures as heretofore referred to in this Section.

6.2.4 Representation - A grievant shall be entitled to be represented by the Association or a legal representative of his own choosing in the presentation and processing of a grievance in all stages, provided however, that notification of all meetings, steps, copies of all grievances and answers are given to the Association and the Association is given the right to be present, and state its own views, at all meetings and hearings of the grievance procedure.

6.2.5 Time of Meetings and Hearings - Working Hours - All discussions, meetings and hearings between a grievant, Supervisors, Commanding Officers, Reviewing Officers and others, shall so far as practicable, be conducted within the grievant's working hours. A grievant and his representative shall be allowed such time off from their regular duties, without loss of pay or benefits, as may be necessary and reasonable for hearings and discussions.
